

Vermont Commodity Program Trainee

Job Description: Commit to a 4-month work and learn experience. Trainee will clean, package, and prepare produce for distribution to those in need, while gaining job-readiness skills and classroom certifications.

Roles and Responsibilities:

- Receive, clean, quality assess, pack, ship, and store farm-fresh fruits and vegetables
- Follow Standard Operating Procedures to ensure quality and safety
- Track daily inventory
- Ensure proper equipment functioning and basic maintenance
- Participate in interactive classroom sessions to learn food and workplace safety
- Certification classes include:
 - OSHA, ServSafe, and 1st Aid/CPR
- Improve job-readiness skills
- Attend guest presentations and field trips for career exploration

Commitment Needed:

- Monday – Friday 9am – 3pm from September 5th – December 22nd
- Teamwork, humor, reliability, and a willingness to learn and work with others
