

Monadnock Berries in Troy, New Hampshire is seeking one full-time Crew Member with a passion for agriculture! The position runs From May to September, 5 days a week, 8am-5pm. \$12/h, 20% off produce and craft beer. Hours may be extended during the height of the season.

Located at the base of beautiful Mount Monadnock, the farm is a diversified family owned fruit farm specializing in pick-your-own blueberries, raspberries, and currants. We also grow table top strawberries in 4 high tunnels for farmers markets. This year we will be experimenting with growing cherry trees in high tunnels. With our leftover fruit we make several value added products ranging from jam to craft beer! Our latest endeavor, Granite Roots Brewing, is our nano brewery where we produce fruit centered ales and traditional lagers. Enjoy the rural NH setting by exploring nearby rivers, lakes, and hikes all within 10-15 minutes of the farm.

What we're looking for in a Crew Member:

- Preferably one year of farming experience
- Ability to take instruction and constructive criticism
- Flexibility to work together, as a team leader, and alone
- A positive attitude towards all types of weather
- A sense of humor

The Farm Crew Member will work closely with the Farm Owners. They will participate in all aspects of harvesting, weeding, grading, and packaging. The ideal candidate will be reliable, arrive to work on time, and be prepared to work in all kinds of weather.

Crew Member responsibilities include but are not limited to:

- Pest control
- Fertilizing
- Harvesting, grading, packing
- Transferring fruit from field to farm stand
- Animal care
- Farmers market sales
- General organizing and clean up

All candidates will be asked to come to the farm for a working interview

before being hired. To apply, please send a resume and short letter of interest to farm owner, Fenella Levick at: monadnockberries@gmail.com
